MEMORANDUM FOR THE RECORD

Morning Meeting of 2 December 1968

DD/I advised that, at Mr. Haldeman's request, he will be briefing Henry Kissinger in New York this morning.

Godfrey noted that we will have no clear indication of the electoral results in Venezuela until later today.

Godfrey reported that the memorandum on Zanzibar has been completed, and the Director requested that it be given wide distribution.

D/ONE advised that NIE 11-14 should be ready for USIB on Thursday.

D/ONE reported that General Carroll has requested a new Estimate on Korea as a result of the recent spate of North Korean incursions into South Korea.

DDCI and [redacted] provided the Director a talking paper on the [redacted] for use with Secretary Rusk.

Carver noted that the Agency's paper on reconnaissance was well received.

The Director indicated that previously restricted traffic on the attitude of the South Vietnamese government toward negotiations can now be distributed through more normal channels as a result of the South Vietnamese decision to participate in Paris.
